### Vehicles and Boats

All-terrain vehicles (ATVs and UTVs), dirt bikes, and other non-licensed vehicles are prohibited on refuge lands. Boats may only be launched from private land or public boat launches. State boating regulations apply.

### Hunting Regulations

Hunting is permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations. Hunting will be in accordance with applicable State of Rhode Island regulations subject to the conditions stated below.

Hunting is not allowed within safety zones, and no weapon discharge into, from, or within safety zones. Hunters may pass through a hunt safety zone to access a hunt unit, but weapons must be unloaded within safety zones. Some, but not all safety zones are marked in the field. Only participants who possess a valid, signed refuge hunt brochure will be allowed to enter the hunt areas.

### Hunting Blinds and Decoys

We allow temporary waterfowl blinds and decoys while hunting. All blinds and decoys must be removed at the end of each hunt day.

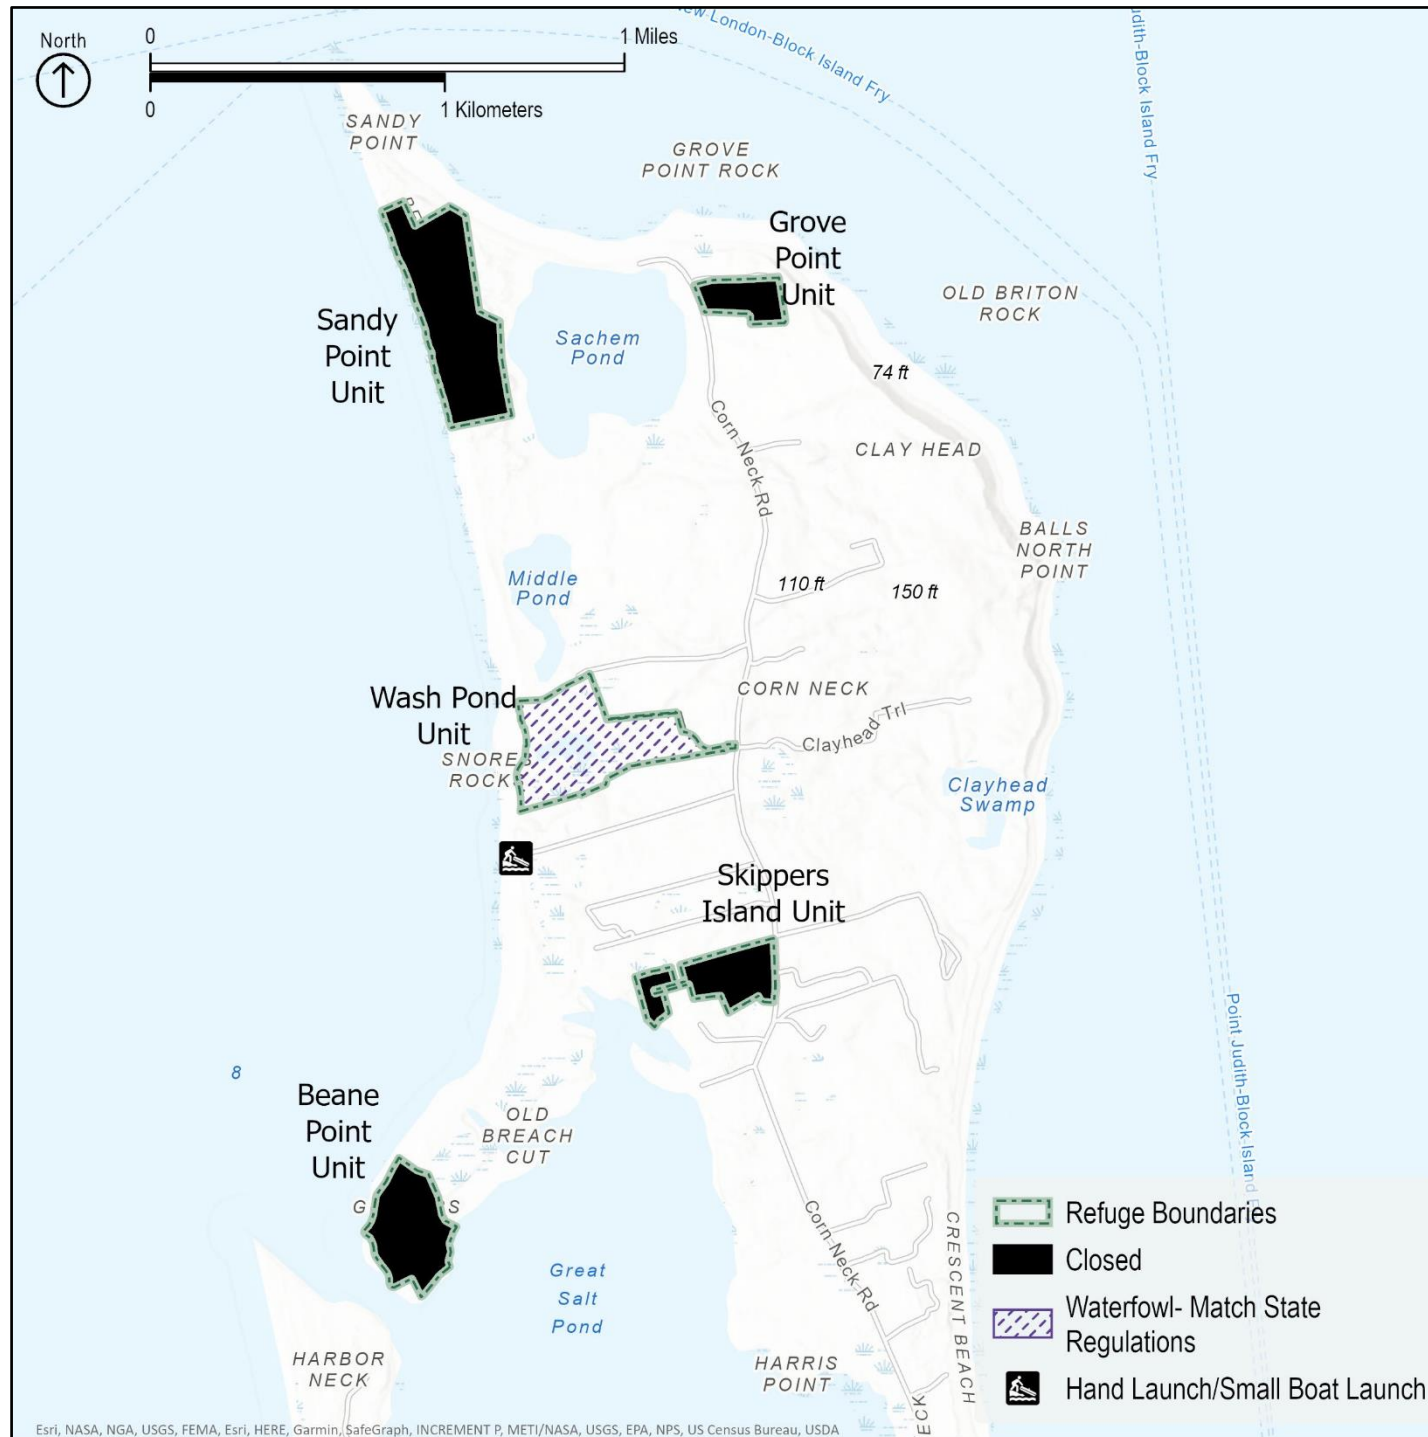

### Use of Dogs

We allow the use of dogs for retrieval of waterfowl consistent with State regulations. Dog training is not allowed on refuge property.

### Harvest Reporting

In addition to the required reporting to the Migratory Bird Harvest Information Program (HIP), hunters must complete a Migratory Bird Hunt Report (FWS form 3-2361) and return it to the refuge by March 15, 2024.
