WILDLIFE REFUGE ACCESS PLAN

Refreshments | Kids Activities | Spanish Interpreter

We're developing a plan to improve access to Deer Flat National Wildlife Refuge, which includes Lake Lowell. Please come share your ideas about current barriers to accessing the refuge and how to improve access.

If you need special accommodations for you and your family, please contact Deer Flat National Wildlife Refuge at DeerFlat@fws.gov or 208-467-9278, at least ten business days before the event.
