We appreciate your offer to host. Your meeting spaces are a lot roomier than ours and they all seem to have terrific views!

Just let me know when everyone has had a chance to weigh in on the date on your end. I won't close the poll until I hear back.

Thanks,
Jennifer

Jennifer – I received your voice mail as well. I have filled in my available dates and times but we need to get several people to attend from our side so this may take a few attempts.

We would like to host the meeting if that is OK with you.

Scott
