Jennifer,

So to be clear, you're looking for the actual signed lease document for file 20-A013012? For the legal Sec 23, Twp 31N, Rge 4W.

Dear Jennifer,

The Washington State Department of Natural Resources received your public disclosure request on July 21, 2015. You requested: "Could you please provide the actual lease documents for aquaculture leases that overlap the tidelands covered by the Deed that provided the Use Easement to USFWS at Dungeness NWR? We are attempting to further our understanding of jurisdiction within this area as it pertains to aquaculture proposals."

After reviewing your request, we will need further clarification. Please provide a legal description, date range of interest, of the area you are interested in.

Once we receive clarification and the request has been narrowed down, we can begin researching your request.

Thank you,

Shane Martinez
