Ralph,  
Sorry I missed your call earlier. Is this the same project description that will be submitted to ACE and the County for their permitting?

Battelle wanted to charge \$22,000 for a complete survey of the area, so we are now planning to do a presence absence survey with staff and volunteers and then go from there. We are trying to schedule July 1st as our survey day. There is a super low tide very early that morning. Let us know if you or anyone else would like to join us.

-jennifer

Hello Jennifer,

Here is the project details form you asked for in April. Please let me know if you have any questions. I look forward to getting your feedback and finding a path that works well for both parties.

Thank you.

Ralph
