No. Nathan and I briefed Robyn the one day which you and I talked about to get a letter going. We drafted the letter and presented it to Richard after giving him a briefing on Tuesday, November 24. He and Vicki were going to make a couple of changes and send us a final version. They want Robyn to have it in hand just in case she is asked about it this week. I think she may be attending the meeting, not sure. Or will just be in DC.

We are standby for now.

But, I have an interesting remark to let you know about from Richard.
