---

We are looking documentation related to lease Dungeness Bay Aquatic Lands aquaculture lease #20-011241. The public disclosure coordinator told me that the records had been archived and provided the following information:

#20-011241 – Archived 3-23-2016, AR-20160414-02, Box #57

We greatly appreciate your assistance.

Thank you,  
Jennifer
