Sue,

I had to hunt and peck to find the appropriate files. If you find some gaps in the data let me know and I'm pretty sure I can chase it down for you.

Subject: Clallam Co Midwinter data

Hey there Anita,

A while back you sent Clallam Co Midwinter data up through 2009. I'm trying to assess Dungeness NWR in the grander scheme of things and wonder if you could send me data from 2010-2018? I'm only looking for summaries of Dungeness Bay to Three Crabs and the Harbor if that helps, but I can pull them from the spreadsheet if it is similar from the older version (attached).

Thanks for any help you can give,
Sue
