Hi Pam,

Please find the attached zip file with the refuge boundary you requested for the aquaculture permit application to the ACE. There were some issues with the files for the areas along the southern end of the bay and they have been removed. They are being re-drawn from survey within the next few months. This does not affect the area where the lease is located. If you have any questions please feel free to contact me.

Cheers,

Lorenz

Hi Lorenz,

I'm working with Liz Tobin to provide maps to the Army Corps of Engineers for the permit the Jamestown Tribe is applying for on Dungeness Bay. The only coverage I have of the refuge is from Clallam County and it isn't complete or accurate. Do you have a shapefile or a geodatabase of the refuge boundary that you can email to me? Let me know if you have any questions. Thanks.
