Hey there Anita,

A while back you sent Clallam Co Midwinter data up through 2009. I'm trying to assess Dungeness NWR in the grander scheme of things and wonder if you could send me data from 2010-2018? I'm only looking for summaries of Dungeness Bay to Three Crabs and the Harbor if that helps, but I can pull them from the spreadsheet if it is similar from the older version (attached).

Thanks for any help you can give,  
Sue
