Subject: [Update] Jamestown Aquaculture Lease at Dungeness NWR
Date: Wednesday, August 26, 2015 4:16:34 PM
Importance: High

I am hoping that you will all be available to discuss the Jamestown Aquaculture Lease at Dungeness NWR on Monday. Since the Tribe is required by their lease to discuss their project and gain our approval prior to starting, I am hoping we can decide on the appropriate decision making process for this activity.

Thanks for your help,
Jennifer
