Hello,

The corps has a complete application for the above referenced. Additional information may be required as we proceed w/ making a permit decision. Should any changes to your proposal occur as a result of state or local review, please provide us updated drawings. The drawings in the administrative record are dated January 26, 2017. Currently, the application is in NHPA 106 review. Thank you.

Jennifer,

I appreciate you reaching out for an update on our aquaculture proposal in Dungeness Bay. I will defer to Matt Bennett at the Army Corps to let us know how our application is progressing. Once I receive confirmation that we have a complete application from the Corps I will be sending you and the County a copy immediately.

As for our DNR lease visit, I look forward to meeting with Lorenz. We are planning to take our skiff out to the lease, but if weather is poor can we hitch a ATV ride with Lorenz?

Enjoy the record tides next week!

Ralph

Hey Ralph!

We haven't talked in a long time and I was just wondering how your proposal was shaping up. Have you received your Army Corps permit yet? Have you started the Shoreline Permit process? Just trying to get a handle on process timing.

Unfortunately, I won't be able to join you for the site visit in June, but Lorenz will be able to attend.

Hope your spring is going well.

-jennifer
