Good deal. Either briefing date works then. The first date might be cancelled if the Principal Acting Director is out in Region that week as scheduled. That's why I scheduled a back up date. Nathan Dexter will be at the briefing as well.

We are not able to get onto the Regional Director's calendar until the 26th. Is there any way we could get the extension pushed until the following Monday?

Things are a bit backed up.

Thanks,  
Jennifer

Due to the lapse in federal appropriations, Washington Maritime National Wildlife Refuge is unable to submit comments related to Jamestown S'Klallam Tribe application NWS-2007-1213 by January 11, 2019. Because we are uncertain when a budget or continuing resolution may be passed, we request an extension of the comment deadline ending one month from the date that Department of the Interior appropriations are restored.
