Good Afternoon Jennifer,

I hope you and yours are well.

In response to our public notice for the Jamestown S'Klallam Tribe's proposed commercial oyster operation on Dungeness NWR, we received the attached comment from Center for Food Safety and Friends of the Earth. We would very much appreciate the assistance of USFWS in addressing this comment.

Please let me know if there are some dates/times USFWS would be available to discuss with the Seattle District.

Best Regards,  
Pam
