Hi Nicole

We have time. Robyn will read this beforehand and she has familiarity with the issue. G2G. Stands for government to government:)

Hi Charlie,

What is your timeline with this? I'm not sure what G2G means - will that be a phone call or a meeting? Is this something that Robyn is going to read over prior to the meeting or have it with her? Does Robyn have a good background for this issue? Some of the information isn't clear so I have questions. Is the idea to improve the flow of information or just to tie up some technical loose-ends?

Thank you,
Nicole

Here's the letter that we are responding to Nicole. This is for internal use only and not a written response to the Tribe. In other words, information to help Robyn and others counter those claims should they occur during the G2G. I expect that Robyn Thorson, Mary Abrams and Kevin Foerster to be the intended recipients.

Charlie

Robyn,

Attached please find a letter from Jamestown S'Klallam Tribal Chair, Ron Allen regarding Jamestown S'Klallam's Dungeness Bay Oyster Farm. As you know, the Tribe wishes to resume its shellfish farm operations. In addition to background information, this letter requests a personal meeting. If your office would please coordinate scheduling with Ann Sargent, 360-681-4661, asargent@jamestowntribe.org. Thank you, Hansi
