Jennifer - we should arrive about 230pm

Are you going to be there? I'd like to get an overview of the bay and where the oyster culture sits.

Yes. I will be here. Let's meet at the office at 715 Holgerson Rd. The gate code is (b) (5) .  
Com

We will be prepared to provide two different vantage points of the proposed aquaculture location and we can also take a look at one of the other potential sites.

Will Robyn, Mary and Jeanne be joining you on Tuesday afternoon? Anyone else?
