To: "Stenvall, Charlie" <charlie\_stenvall@fws.gov>, "Holm, Jeff" <jeff\_holm@fws.gov>

Thanks to you both for taking a look at this before sending it up to Mary. Let me know if you still have questions or need me to make any changes to the annotations.

I am in the office until 10 and then I am off to a meeting with the Olympic NP FMO. Hoping to get fire on the ground at PI in the next week or so (if it ever stops raining). I should be back this afternoon if you get any feedback from Mary that needs to be addressed.

-jennifer
