We meet at 930am today in your office.

Attached is the comment letter sent by the Refuge Manager to the County regarding the permit. We reviewed and concurred with the letter prior to it being sent.

Hi Robyn and Terry,

The attached letter from Ron Allen, Jamestown S'Klallam Tribal Chair, is addressed to Robyn. Would you like me to assign this letter to NWRS and ES for response? Looks like they would like to meet with Robyn in person regarding this.

Thank you,

Nicole,

I am submitting the attached letter to Regional Director Robyn Thorson on behalf of Ron Allen, Jamestown S'Klallam Tribal Chair. We are seeking USFWS assistance in renewing shellfish aquaculture activity in Dungeness Bay. The Tribe had been actively farming a tideland lease in Dungeness Bay which was interrupted due to fecal coliform contamination and associated WA Department of Health shellfish bed downgrades. The Tribe and local partners, including the Refuge, have succeeded in our efforts to improve the water quality and we are now ready to renew our aquaculture activity. As Robyn may already know, we have experienced difficulties. Thank you for your attention to this important Tribal matter. Hansi
