Importance: High

Forgot to include one that you may already have in your files that speaks to oyster dredging impacts to BLBR.

Black Brant Winter and Spring-Staging Use at Two Washington Coastal Areas in Relation to Eelgrass Abundance

Subject: [EXTERNAL] Aquaculture Resources/References

Pam,

I have a biologist visiting us for a week or two and I asked her to look into studies on impacts (positive and negative) of aquaculture. Would you possibly have a list of references that could help her with her search?

Thanks,
Jennifer
