Please find attached the County consultant's review of the Jamestown S'Klallam Tribe's Avian

Monitoring Plan. I have not had a chance to read it yet, but thought you both might be interested since we provided written and verbal recommendations/technical assistance to the Tribe during the drafting of the plan.

Wishing you both a wonderful week,  
Jennifer

It's me again being a pain BUT have you received the WEST, Inc. Avian Monitoring Plan review? I believe it was due December 27<sup>th</sup>. Also SHR2017-00011 information site does not include recent documents.
