Here is the latest draft. I am providing it to you for comments on the wording, the construct, the charge, etc.

The proposed team would be Jenny Keating (Refuges HQ: analysis and writing); Jennifer Brown Scott (Refuge reference) and Frank Wilson (SOL reference).

The report from this team is for the RD (because it's a regional issue) and the RD will share it with Refuges HQ and NAL Scott Aikin (I need to get Scott's correct work title for this document).

Thoughts?

THANK YOU.
