Good morning Director Hals,

It is nice to meet you via this email. I am Kevin Foerster's Deputy, but am reaching out to you on his behalf as I am acting for Kevin while he is out this month and next on family leave.

I wanted to personally provide you with an update on the status of the access compatibility determination that is required for your commercial shellfish operations per your previous discussions with Kevin. Is there a good date and time we could virtually meet to provide this?

I look forward to meeting you and continuing to work with you as Kevin has on our shared interest in timely resolution of this matter.

Thanks and please take care,
Christine
