Hi Hugh,

Hope you had a good week and nice weekend plans.

I wanted to follow up on some items from our meeting yesterday as follows:

- Yes, Ric is on top of the Hanalei overlook project and will let us know if dates deviate suddenly from our NWRS monthly reports
- For 9/20 Malheur CAA public meetings, Charlie checked with Jeff. Jeff conveyed appreciation for your support but felt presence was not needed
- For Dungeness NWR:
 - I can confirm that yes it was conveyed back to Chairman Allen and Hansi Hals from the Tribe that a CD is still required and that tribal treaty rights does not apply in this situation.
 - Jennifer will provide a timeline of our efforts to work with the Tribe on this issue. She is out today and won't have it ready before our meeting next Monday morning though.
 - Jennifer can reach out to the Tribe's POC for the shellfish aquaculture operation to share that a CD still needs to be done. She is out today but we can discuss further on Monday as well.

I believe those are all of the follow up items to close the loop with you on, but let me know if I missed anything and/or if you have any questions or would appreciate anything additional.

Thanks and please take care,
Christine
