Oyster cultivation (lease/permit from Washington DNR) in refuge boundary. Refuges has been addressing this since 2017 (per yesterday's briefing) so I think they've connected with Nathan at some point.... Looping him back in as some key issues emerge. Thanks.

I don't see anything attached. What is the issue we're discussing?

Will do Robyn.

Thanks and please take care,
Christine

If you haven't already, please engage Nathan so that we have the benefit of his counsel on this matter.

Thanks, Christine.
