Good morning! Lots of recent letters from the tribe to be marshaled today (letters to RM, DRD, Martha, Bob Anderson, probably Secretary...). Plus RegSOL provided bullets to SOL.

Thank you for your office's lead to accumulate and sort the new letters from tribe (from Hanson or Chairman Allen; the ones mentioned above and others if we get them). Copying Refuges HQ for Cynthia's awareness of multiple "incomings".

Please compare/contrast letters for key issues between letters if different (that sorting might be fast — on quick scan the key points are similar).

In addition to a BP/Info Memo in prep, this morning we'll discuss next steps, and sequence, including the professional courtesy of prompt acknowledgement.

Briefing up to HQ (DD and others) will get lined up by my office, although requests might outpace us!

Copying NAL FYI; engage as appropriate. Copying RegSOL.

High priority: thank you for your leadership.

Robyn
