Hi Robyn,

I have completed the Inbox Archive search for all things Dungeness and have created a folder for them in your Inbox Archive titled "Dungeness Archive Search". I can show you how to access this when you are ready.

Thank you,

Hi Robyn,

I have completed a search going back 2 years in your inbox. I need to check your Archive folder for the remaining years (2015-2019) – just how IT has things set-up now. But for the last 2 years, I created a folder in your inbox titled "Dungeness Search".

Searching for Dungeness Bay and Oyster was the most lucrative. Shellfish and Ron Allen provided lots of non-related topics that I did not move into the folder. If you want to look at those on a call, let me know.

Thank you

Subject: email search

Imagine this is a FOIA (it isn't but...): can you search my email back to January 1, 2015, and put into a folder anything to do with the following:

Dungeness Bay

Oyster

Shellfish

Ron Allen (to or from emails)

I think that should cover it but I'm copying Christine: she might add search topics that would help gather up all documents sent or received. Please put those documents into a folder so we can clean them up for duplicates, etc. Afterward we'll provide them to Christine.

Thanks so much!

Robyn
