**Subject:** Against oystering at Dungeness Wildlife Refuge  
**Date:** Tuesday, November 2, 2021 2:51:29 PM

---

Please withdraw permits for oystering by corporations in Dungeness National Wildlife Refuge. Shellfish farming has huge ecological damages impacts to this National Refuge. Decision makers cannot conclude that the financial benefits to a corporation outweigh the long term impacts to the refuge.

Sincerely,  
Wanda McGill  
280 Manzanita Dr  
Sequim, WA 98382
