Hello,

I have reviewed the BP and made a few minor formatting changes (bumped up the font size to 12, entered 2 spaces between sentences). I also updated the BP Preparer to Hugh Morrison based on past conversations with Chanelle and since he is requesting the meeting with Martha. The final versions are ready to route to the RDO with the regional NTR.

Charlie, can you please surname the first line of the NTR PDF?

Thank you,

**Melody Poland**

Good afternoon Melody,

Here is an updated briefing paper and note to reviewer we were asked to update in preparation for a meeting Hugh is requesting with Martha. Could you please get this routed through DTS today?

Much appreciated and let me know if you have any questions on this,

Holly
