Hi:

If you know of anyone you think might help, please send them this opportunity to educate more of the public about the Dungeness Refuge issue.

Help educate the public about industrializing the Dungeness National Wildlife Refuge for private company to raise oysters.

Weather permitting, from 9:30 - 2PM, handing out the fliers about the Dungeness Refuge across the street from Sequim Farmer's Market.

Please join between those hours if you are able to and stay as long as you like. Fliers will be available.

Thank you,
