Sounds good Robyn. Please note a missing “2” in the date under **prepared for a meeting**. Thank you.

Sarena and Steve: Thank you. I made a minor edit by moving the “protect” info, so that it follows “interested parties”. Please consider this “final” for your purposes of finalizing your slide-show narrative.

I’ll share this with Frank Wilson at RegSOL and he can let me know if there are any edits to the mention of SOL and treaty rights; if so, I’ll make those changes before I share this with BIA in the morning. I’ll copy you when I send to BIA.

I will emphasize again: you’re explaining/setting forth the issue – you do NOT need to have all the technical information, and Hugh and I will handle the “traffic” on questions so we don’t get in the weeds, and that you are NOT on the spot!

Well done, thanks so much.

Let me know if you'd like additional changes. When final, I will be using this to update my talking points and am planning on just 4 slides -attached. Thanks!
