McFaddin National Wildlife Refuge Waterfowl Hunting Regulations 2024–2025

Welcome

Hunting units on McFaddin NWR include the Spaced Blind Hunt Unit (Fee Area), Star Lake/Clam Lake Hunt Unit (Fee Area), Central Hunt Unit (Non-Fee Area) and the Mud Bayou Hunt Unit (Non-Fee Area). Hunting units are open on varied days of the week; see specific hunting units below for information on open hunting days. We ask that hunters be good sportsmen and respect the rights of other hunters afield. Sky-blasting flares game, leaves cripples, and disrupts other hunters. Allowing birds to decoy increases your hunting success. Hunting of ducks, geese and coots ONLY permitted in accordance with all federal, state and local laws; in addition to refuge specific hunting regulations outlined in this hunting brochure below. NOTE: Opening of hunting units can change based on weather, marsh conditions, or safety concerns. Emergency changes to regulations will be posted on the McFaddin NWR webpage (www.fws.gov/refuge/mcfaddin).
