Red Wolf Program: Join refuge staff in learning about the history and biology of red wolves. Programs include a talk about the red wolves and the ability to visit the live red wolves at the red wolf center. Programs are only offered at the times listed.

*****There is no guarantee that you will be able to see the exhibit red wolves as they are a shy and elusive species*****

Pocosin Arts Program: Offered September through May, join refuge and Pocosin Arts School of Fine Craft staff for monthly creative art projects that engage families in wildlife and nature themed crafts and activities. Weather permitting, participants will go outside to explore the natural world along the Scuppernong River. Please RSVP for these free programs at <https://pocosinarts.org/classes-events/community/>.

ecoEXPLORE: In partnership with Tyrrell County Library, join refuge and library staff for monthly ecoEXPLORE nature programs at Tyrrell County Library where every participant can become a community scientist and complete fun wildlife and nature activities while earning points! Developed by The North Carolina Arboretum, ecoEXPLORE is an innovative program that combines science exploration with kid-friendly technology to foster a fun learning environment for children while encouraging them to explore the outdoors and participate in community science.
