Dear Cooperator,

Thank you for attending yesterday's Cooperating Agency meeting and for all of your input and information in our analysis of a rule to designate an experimental population under ESA section 10(j) for Colorado's requested management flexibility for their state-led wolf reintroduction.

As discussed yesterday, because of our compressed schedule, you will have one week to review the attached draft FEIS and we would appreciate receiving comments by close of business Monday, July 24. We have scheduled the second meeting (if needed) on Thursday, July 27 from 3 to 4 pm MDT to discuss your comments and have sent a Teams invite for that meeting. Please let me know if you find value in holding and attending that meeting.

Thank you again for your review given the quick turn around and please contact me at liisa_niva@fws.gov if you have any questions.

Respectfully,
Liisa
