**Subject:** States/FWS Coordination: implementation meeting  
**Date:** Monday, October 16, 2023 7:12:22 AM

---

Hi all -

I want to give you a heads up that we would like to schedule our implementation meeting on Monday, 10/30, from 3:00-4:30 pm MT. We will be inviting the Southern Ute Indian Tribe and Ute Mountain Ute Indian Tribe to this meeting, as well as reps from the Utah and Colorado Departments of Agriculture (Cole Selman and Wayne East) and Regional Directors from FWS' Southwest and Mountain-Prairie regions.

The first two Mondays of November don't work for FWS or the SUIT and I'm hesitant to schedule anything beyond the week of November 13 given the potential for a government shutdown on November 18.

I am sending out a calendar invite to everyone today, including the draft 10j rule, actions the 10A1a permit will cover, and a request for agenda topics.

Best,  
Liisa
