Subject: Colorado gray wolf 10j rule update
Date: Thursday, September 14, 2023 1:59:41 PM

Dear Conservation Partner,

I am writing to let you know that our Notice of Availability for our Final Environmental Impact Statement (FEIS) and draft Record of Decision (ROD) will publish in the Federal Register on Tuesday September 19, 2023, and will be available for public inspection tomorrow morning. The FEIS and draft ROD will be available on Regulations.gov under Docket No. FWS-R6-ES-2022-0100 and on our website at <http://www.fws.gov/coloradowolf>.

Thank you for all of your input and information on the rule to designate an experimental population under ESA section 10(j) for Colorado's requested management flexibility for their state-led wolf reintroduction.

Please contact me or Liisa Niva if you have any questions.

Respectfully,

Adam Zerrenner
