Some of the cooperating agencies would like to see these maps as it relates to the focal county analysis. Any concerns? They do have a confidentiality clause in their MOUs. Thanks.

Howdy John and Nicole - see attached summer and winter habitat suitability maps with CO county overlay. Let me know if this will work or if we need anything different, Mark is happy to help out in any way he can. I will also upload these to the 'Maps' folder on the teams site. Thanks.
