Hello all,

The draft concern/response report has been uploaded here: [DEIS Concern Response Report](#)

From here, let's work in the word document and not in the excel sheet. Anything in yellow is either missing a response or in the excel sheet noted it needed more information. I know Nicole said she would not be able to be on today's call, but if Jacob and others are available, let's get together and review where we still need responses and discuss how we will get there.

We can also discuss further today how we will incorporate the Mexican Wolf info into the FEIS.

Please review the report by our next meeting, Tuesday May 30, so we can discuss how to move that forward and begin needed edits to the EIS. As we noted before, we moved this deliverable up but it is currently un-edited and in a rough draft format. After we get any comments you have by the 30<sup>th</sup>, we will make changes and the next version will be edited.

Thanks all and please don't hesitate to reach out with any questions.

Take care,

Lori
