- (FYSA ) - **Schedule and progress.**
  - The final rule, final environmental impact statement (EIS), draft record of decision, and the notice of availability for the final EIS and draft ROD are in review and surname by RSOL and R6 RO ES.
  - We have also requested cross-regional concurrence from Regions 1, 2, 3, and 8.
  - HQ Recovery and PRB are conducting their preliminary review and we have already started to address their comments on the final rule.
  - We are drafting a standalone 10(a)(1)(A) notice.
