**Subject:** USFWS Scheduling Request for Introductory Consultation Meeting with

Dear Ms. Tom and President Nygren,

I hope this email finds you well. My name is Kaitlyn Davis, and I am an archaeologist with PaleoWest (now Chronicle Heritage), working on behalf of the US Fish and Wildlife Service (US FWS). Attached is a follow-up letter to the Navajo Nation's correspondence with the US Fish and Wildlife Service (FWS) regarding Tribal Consultation on the Colorado wolves reintroduction. The purpose of the attached letter is to begin scheduling consultation meetings between the US FWS and the Navajo Nation regarding the wolf reintroduction. Chronicle Heritage is helping facilitate meetings with Tribes that have requested consultation. Thank you very much for taking the time to read our letter. Please let me know if you have any questions, and also please let me know if you would prefer a hard copy of the letter and I would be happy to mail one.

Thank you very much for your time and consideration,  
Kaitlyn Davis (in cooperation with Liisa Niva, US Fish and Wildlife Service)
