**Subject:** USFWS proposed 10j rule: cooperating agency meeting

Dear Cooperator,

Thank you for all of your input and information for the Environmental Impact Statement to support a rule to designate an experimental population under ESA section 10(j) for Colorado's requested management flexibility for their state-led wolf reintroduction.

We will be convening a cooperator call on Monday, July 17 to provide a status update on the Final Environmental Impact Statement (FEIS) in advance of your receipt of the draft FEIS for your review. Because of our compressed schedule, you will have one week to review the draft FEIS from July 18-24. We are planning a second meeting later during the week of July 24 to discuss your comments.

We will share a draft agenda in advance of each meeting. Please let me know if there are specific issues or questions you would like to cover in these meetings. Calendar invitations for these meetings will be forthcoming - both will be virtual meetings using the MS Teams platform.

Please contact me at [liisa\\_niva@fws.gov](mailto:liisa_niva@fws.gov) if you have any questions.

Respectfully,  
Liisa
