Hi all,

In the format the comments were sent in, grappling a bit the best way to make sure it is all addressed. To start see a summary file here: [Comments from Cooperators](#)

For all the cooperators that submitted we either summarized or pulled directly from the letter. We are unable to open the WY word file. If you all are and someone can print that to a PDF, we can add that to the summary. We can start with this file and see if it is helpful and if not adjust from there.

Thanks,  
Lori

Hi all,

See attached the agenda for our call today. We have not gotten through all the cooperators comments so that section is not complete but we will add to it as we get through these today.

Take care,  
Lori
