It looks like the 23<sup>rd</sup> works for Liisa, myself, Adam. 31<sup>st</sup> does not work for Liisa, or Anna and I. Checking on what works for Matt.

What are other's availability?

**Subject:** DRT Request for Wolf 10j Final EIS/ROD

Good Morning, Maureen.

I am reaching out to request a Stage 3 FEIS briefing for the DRT for the Final Environmental Impact Statement to for the final issuance of a rule to an establish an experimental population of the northern gray wolf in Colorado under the Endangered Species Act. As noted in the attached briefing paper, the State has requested this action and completion by December 31, 2023, to comply with Colorado state law. The Service and the Department have agreed to support the state reintroduction and meet their timeline, if possible. It is our hope that we can schedule the DRT by/before September 1<sup>st</sup> to meet the above timeline.

Please include the following people in the scheduled briefing - Matt Hogan, Marj Nelson, Liisa Niva, Adam Zerrenner, Kurt Broderdorp, Scott Becker, and Alicia Logalbo.

Hope you're doing well and having a great summer. If you have any questions or need additional info to move forward, just let me know.

Thanks,  
Anna
