Due to unfortunate circumstances, we are in the market for a Caretaker w/ a STRONG work ethic who can answer YES! to all of these questions:

Are you mechanically inclined & fix things the RIGHT way, the first time?

Do you finish what you start in a reasonable time w/out hesitation?

Do you have an unquenchable thirst to mow/weed eat?

Can you use a log splitter to keep firewood for the campers in the summer & the lodge in the winter?

Carpenter/plumbing/electrical skills going stale? We can fix that!

Are you a people person of all ages? From the wee ones at the playground who yell/fuss to the 'mature' ones at the docks & lodge who do the same?

Do you have a mindset of "teamwork makes the dream work" but still have the self discipline to work independently, know what to do and do it w/out hesitation?

Is your spine stiff enough to listen to suggestions made by board members & shareholders without taking it personal or getting offended?

👉 This job is not for delicate daisies 👉

Can you pass a drug test & background check? We are a campground on federal property that allows no alcohol or drugs. Ever.

Are you looking for a year round job that provides a nice house on the lake, utilities & a paycheck twice a month?

Give me a call with any questions & let's talk about hiring you!!! 618-985-2572
