Frequently Asked Questions

The guidance indicates that applications are to be made via the [GrantSolutions](#) platform. Currently, our organization does not have an account on this platform but instead uses [Grants.gov](#) to apply for any US Federal Government grants/funding.

Q. Are you accepting applications using Grants.gov?

A. Yes, applications may be submitted either through [Grants.gov](#) or through GrantSolutions. If you choose to apply through GrantSolutions, instructions on getting started in GrantSolutions can be found [here](#). Additional instructions on applying through GrantSolutions can be found in the Notice of Funding Opportunity / SUBMISSION REQUIREMENTS AND DEADLINES / Submission Instructions
