Lesli,

Amy scheduled a brief this afternoon regarding some carryover refuge items (i.e. SpaceX encroachment issue w/ AUSA).

I have also seen a chat regarding refuge's current agreement for Boca Chica State Park which is the public property most directly impacted by the recent explosion.

I don't have any further details at this time.

Sonny

Good morning,

Wanted to check in and see if there are any significant/relevant updates related to SpaceX since Amy will be doing her Hill visits next week.

Take care -
