It would be better if we had something showing the refuge and spaceX, and some anomaly pictures based on what is said in the BP. This is hard to make out.

Maybe Chris P. can help out.

Subject: Fw: Requist re RD ES Briefing Papers

Hey Everyone,

Follow up ask on the recent BPs for an associated map for the following:

- BFF 10(j) - Heather's team
- E. Texas Mussels - Erik / Omar please
- LPC - Clay
- TX hornshell - Chuck, aren't y'all the lead?
- SpaceX (in this case may also be helpful to have some photos) - Dawn / Chuck

I've attached recent draft of each of the BPs for context.

Requesting maps by noon Friday, if possible. Hopefully this is not too hard of a to-do.

Thanks,
Seth

Subject: Request re RD ES Briefing Papers

Hi Seth and Beth,

Thank you so much for the RD briefing papers. I very much appreciate that they are all one page. I think that for some it would be useful if you all have maps to include those for Amy so she can use as she is meeting with members/staff. Would it be easy to send me maps for the:

BFF 10(j)

E. Texas Mussels

LPC

TX hornshell

SpaceX (in this case may also be helpful to have some photos)

Thank you -

Lesli
