all I cut some a map and some pictures out a ppt we did for Amy. I think it will cover the SpaceX BP. I am also going to attach the full PPT so there are more options if needed.

Hey Everyone,

Follow up ask on the recent BPs for an associated map for the following:

- BFF 10(j) - Heather's team
- E. Texas Mussels - Erik / Omar please
- LPC - Clay
- TX hornshell - Chuck, aren't y'all the lead?
- SpaceX (in this case may also be helpful to have some photos) - Dawn / Chuck

I've attached recent draft of each of the BPs for context.

Requesting maps by noon Friday, if possible. Hopefully this is not too hard of a to-do.

Thanks,
Seth

Hi Seth and Beth,

Thank you so much for the RD briefing papers. I very much appreciate that they are all one page. I think that for some it would be useful if you all have maps to include those for Amy so she can use as she is meeting with members/staff. Would it be easy to send me maps for the:

BFF 10(j)

E. Texas Mussels

LPC

TX hornshell

SpaceX (in this case may also be helpful to have some photos)

Thank you -

Lesli
