**Subject:** Re: letter to FAA

No Dawn had me pause sending it on Friday...I had signed the old one I believe, so it could go.

**Subject:** letter to FAA

All,

the letter to the FAA needs to go out asap. I told Jenna we would get it out early this week. It was semi-final last week but Dawn wanted to talk to Mary about adding something on the debris cloud. Please get this final so we can get it formatted, signed and out the door.

Thank you.
