## Georgia HUC10 Watershed Reports

HUC 10 Code   
 HUC 10 Name

### Counties in this HUC10 Watershed

HUC10_code	County
0306010201	Rabun
0306010201	Towns
0306010201	Habersham

### Listed and At-Risk Species in this HUC10 Watershed

Common Name	Species	Ga Status	Fed Status	Survey Recommendations
Federal Listing Status:		<input type="text" value="U.S. Endangered or Threatened Species"/>		
Northern Long-eared Bat	<i>Myotis septentrionalis</i>	T	LT	Survey period: 15 May - 15 Aug.
Monkeyface Orchid	<i>Platanthera integrilabia</i>	T	LT	Survey period: flowering 15 Jul - 31 Aug.
Persistent Trillium	<i>Trillium persistens</i>	E	LE	Survey period: flowering 15 Mar - 15 Apr. Use of a nearby reference site to more accurately determine local flowering period is recommended.
Federal Listing Status:		<input type="text" value="No U.S. Status in Georgia"/>		
Green Salamander	<i>Aneides aeneus</i>	R		Please consult with GDNR for survey efforts.
Porter's Reed-grass	<i>Calamagrostis porteri</i>	R		Please consult with GDNR for survey efforts.
Granite Dome Sedge	<i>Carex biltmoreana</i>	T		Please consult with GDNR for survey efforts.
American Lily-of-the-valley	<i>Convallaria pseudomajalis</i>	R		Please consult with GDNR for survey efforts.
Pink Ladyslipper	<i>Cypripedium acaule</i>	U		Please consult with GDNR for survey efforts.
Yellow Ladyslipper	<i>Cypripedium parviflorum</i>	R		Please consult with GDNR for survey efforts.
Bald Eagle	<i>Haliaeetus leucocephalus</i>	T		Please consult with GDNR for survey efforts.
Goldenseal	<i>Hydrastis canadensis</i>	E		Please consult with GDNR for survey efforts.
Carolina Bog Laurel	<i>Kalmia carolina</i>	T		Please consult with GDNR for survey efforts.
Sweet Pinesap	<i>Monotropsis odorata</i>	T		Please consult with GDNR for survey efforts.
Highscale Shiner	<i>Notropis hypsilepis</i>	R		Please consult with GDNR for survey efforts.

Canada Burnet	<i>Sanguisorba canadensis</i>	T	Please consult with GDNR for survey efforts.
Mountain Purple Pitcherplant	<i>Sarracenia purpurea var. montana</i>	E	Please consult with GDNR for survey efforts.
Georgia Aster	<i>Symphotrichum georgianum</i>	T	Please consult with GDNR for survey efforts.
Carolina Hemlock	<i>Tsuga caroliniana</i>	E	Please consult with GDNR for survey efforts.
Eastern Turkeybeard	<i>Xerophyllum asphodeloides</i>	R	Please consult with GDNR for survey efforts.

Fed Status Key: LE = listed endangered, LT = listed threatened, PE/PT = proposed as endangered or threatened, C = candidate species, SAE/SAT = listed as endangered or threatened because of similarity of appearance.

Ga Status Key: E = endangered, T = threatened, R = rare, U = unusual

Listed and At-Risk Species in this HUC10 Watershed

Common Name	Species	Ga Status	Fed Status	Survey Recommendations
Federal Listing Status:		<input type="text" value="U.S. Endangered or Threatened Species"/>		
Rusty-patched bumblebee	<i>Bombus affinis</i>	E	LE	No habitat assessment is required, this species is currently considered extirpated from Georgia.
Rock Gnome Lichen	<i>Gymnoderma lineare</i>	E	LE	Survey period: year round.
Swamp-Pink	<i>Helonias bullata</i>	T	LT	Survey period: early Apr - early Jun.
Small Whorled Pogonia	<i>Isotria medeoloides</i>	T	LT	Survey period: 1 May - 31 Aug. Use of a nearby reference site to more accurately determine local flowering period is recommended.
Northern Long-eared Bat	<i>Myotis septentrionalis</i>	T	LT	Survey period: 15 May - 15 Aug.
Federal Listing Status:		<input type="text" value="No U.S. Status in Georgia"/>		
Green Salamander	<i>Aneides aeneus</i>	R		Please consult with GDNR for survey efforts.
Porter's Reed-grass	<i>Calamagrostis porteri</i>	R		Please consult with GDNR for survey efforts.
Granite Dome Sedge	<i>Carex biltmoreana</i>	T		Please consult with GDNR for survey efforts.
Wretched Sedge	<i>Carex misera</i>	T		Please consult with GDNR for survey efforts.
Cuthbert's Turtlehead	<i>Chelone cuthbertii</i>	T		Please consult with GDNR for survey efforts.
Rafinesque's Big-eared Bat	<i>Corynorhinus rafinesquii</i>	R		Please consult with GDNR for survey efforts.
Pink Ladyslipper	<i>Cypripedium acaule</i>	U		Please consult with GDNR for survey efforts.
Yellow Ladyslipper	<i>Cypripedium parviflorum</i>	R		Please consult with GDNR for survey efforts.
Bog Turtle	<i>Glyptemys muhlenbergii</i>	E	SAT	
Goldenseal	<i>Hydrastis canadensis</i>	E		Please consult with GDNR for survey efforts.
Sand-Myrtle	<i>Leiophyllum buxifolium</i>	T		Please consult with GDNR for survey efforts.
Fraser's Loosestrife	<i>Lysimachia fraseri</i>	R		Please consult with GDNR for survey efforts.
Sweet Pinesap	<i>Monotropsis odorata</i>	T		Please consult with GDNR for survey efforts.
Sandbar Shiner	<i>Notropis scepticus</i>	R		Please consult with GDNR for survey efforts.
Edmund's Snaketail	<i>Ophiogomphus edmundo</i>	E		Please consult with GDNR for survey efforts.

Blue Ridge Golden Ragwort	<i>Packera millefolium</i>	T	Please consult with GDNR for survey efforts.
Canada Burnet	<i>Sanguisorba canadensis</i>	T	Please consult with GDNR for survey efforts.
Mountain Purple Pitcherplant	<i>Sarracenia purpurea var. montana</i>	E	Please consult with GDNR for survey efforts.
Oconee Bells	<i>Shortia galacifolia</i>	E	Please consult with GDNR for survey efforts.
Cliffside Goldenrod	<i>Solidago simulans</i>	E	Please consult with GDNR for survey efforts.

Fed Status Key: LE = listed endangered, LT = listed threatened, PE/PT = proposed as endangered or threatened, C = candidate species, SAE/SAT = listed as endangered or threatened because of similarity of appearance.

Ga Status Key: E = endangered, T = threatened, R = rare, U = unusual

Listed and At-Risk Species in this HUC10 Watershed

Common Name	Species	Ga Status	Fed Status	Survey Recommendations
Federal Listing Status: <input type="text" value="U.S. Endangered or Threatened Species"/>				
Shinyrayed Pocketbook	<i>Hamiota subangulata</i>	E	LE	Survey period: year round, when water temperatures are above 10° C and excluding when stage is increasing or above normal.
Gulf Moccasinshell	<i>Medionidus penicillatus</i>	E	LE	Survey period: year round, when water temperatures are above 10° C and excluding when stage is increasing or above normal.
Oval Pigtoe	<i>Pleurobema pyriforme</i>	E	LE	Survey period: year round, when water temperatures are above 10° C and excluding when stage is increasing or above normal.
Federal Listing Status: <input type="text" value="U.S. Candidate Species"/>				
Gopher Tortoise	<i>Gopherus polyphemus</i>	T	C	Survey period: year round.
Federal Listing Status: <input type="text" value="No U.S. Status in Georgia"/>				
Variable-leaf Indian-plantain	<i>Arnoglossum diversifolium</i>	T		Please consult with GDNR for survey efforts.
Dougherty Plain Cave Crayfish	<i>Cambarus cryptodytes</i>	T		Please consult with GDNR for survey efforts.
Velvet Sedge	<i>Carex dasycarpa</i>	R		Please consult with GDNR for survey efforts.
Ciliate-leaf Tickseed	<i>Coreopsis integrifolia</i>	T		Please consult with GDNR for survey efforts.
Delicate Spike	<i>Elliptio arctata</i>	E		Please consult with GDNR for survey efforts.
Inflated Spike	<i>Elliptio purpurella</i>	T		Please consult with GDNR for survey efforts.
Greenfly Orchid	<i>Epidendrum magnoliae</i>	U		Please consult with GDNR for survey efforts.
Goldstripe Darter	<i>Etheostoma parvipinne</i>	R		Please consult with GDNR for survey efforts.
Barbour's Map Turtle	<i>Graptemys barbouri</i>	T		Please consult with GDNR for survey efforts.
Bald Eagle	<i>Haliaeetus leucocephalus</i>	T		Please consult with GDNR for survey efforts.
Pond Spice	<i>Litsea aestivalis</i>	R		Please consult with GDNR for survey efforts.
Curtiss' Loosestrife	<i>Lythrum curtissii</i>	T		Please consult with GDNR for survey efforts.

Alligator Snapping Turtle	<i>Macrochelys temminckii</i>	T	Please consult with GDNR for survey efforts.
Halloween Darter	<i>Percina crypta</i>	T	Please consult with GDNR for survey efforts.
Hooded Pitcherplant	<i>Sarracenia minor var. minor</i>	U	Please consult with GDNR for survey efforts.
Swamp Buckthorn	<i>Sideroxylon thornei</i>	R	Please consult with GDNR for survey efforts.
Silky Camellia	<i>Stewartia malacodendron</i>	R	Please consult with GDNR for survey efforts.

Fed Status Key: LE = listed endangered, LT = listed threatened, PE/PT = proposed as endangered or threatened, C = candidate species, SAE/SAT = listed as endangered or threatened because of similarity of appearance.

Ga Status Key: E = endangered, T = threatened, R = rare, U = unusual

Florida Torreya	<i>Torreya taxifolia</i>	E	LE	Survey period: year round.
Federal Listing Status:		<input type="text" value="No U.S. Status in Georgia"/>		
American Lily-of-the-valley	<i>Convallaria pseudomajalis</i>	R		Please consult with GDNR for survey efforts.
Broadleaf Tickseed	<i>Coreopsis latifolia</i>	R		Please consult with GDNR for survey efforts.
Rafinesque's Big-eared Bat	<i>Corynorhinus rafinesquii</i>	R		Please consult with GDNR for survey efforts.
Eastern Hellbender	<i>Cryptobranchus alleganiensis alleganiensis</i>	T		Please consult with GDNR for survey efforts.
Pink Ladyslipper	<i>Cypripedium acaule</i>	U		Please consult with GDNR for survey efforts.
Yellow Ladyslipper	<i>Cypripedium parviflorum</i>	R		Please consult with GDNR for survey efforts.
Blotched Chub	<i>Erimystax insignis</i>	E		Please consult with GDNR for survey efforts.
Fringed Gentian	<i>Gentianopsis crinita</i>	T		Please consult with GDNR for survey efforts.
Bog Turtle	<i>Glyptemys muhlenbergii</i>	E	SAT	
Bald Eagle	<i>Haliaeetus leucocephalus</i>	T		Please consult with GDNR for survey efforts.
Goldenseal	<i>Hydrastis canadensis</i>	E		Please consult with GDNR for survey efforts.
Sand-Myrtle	<i>Leiophyllum buxifolium</i>	T		Please consult with GDNR for survey efforts.
River Redhorse	<i>Moxostoma carinatum</i>	R		Please consult with GDNR for survey efforts.
Swamp Lousewort	<i>Pedicularis lanceolata</i>	E		Please consult with GDNR for survey efforts.

Three-toothed Cinquefoil	<i>Sibbaldiopsis tridentata</i>	E	Please consult with GDNR for survey efforts.
Mountain Catchfly	<i>Silene ovata</i>	R	Please consult with GDNR for survey efforts.
Rosy Twisted Stalk	<i>Streptopus lanceolatus</i> <i>var. lanceolatus</i>	T	Please consult with GDNR for survey efforts.
Appalachian Cottontail	<i>Sylvilagus obscurus</i>	R	Please consult with GDNR for survey efforts.
Starflower	<i>Trientalis borealis</i>	E	Please consult with GDNR for survey efforts.

Fed Status Key: LE = listed endangered, LT = listed threatened, PE/PT = proposed as endangered or threatened, C = candidate species, SAE/SAT = listed as endangered or threatened because of similarity of appearance.

Ga Status Key: E = endangered, T = threatened, R = rare, U = unusual
