The SCRC headquarters is located at the Savannah National Wildlife Refuge, near Hardeeville, South Carolina.

Geocaching is an outdoor adventure game played with a GPS device. The basic idea is to locate hidden containers, called "geocaches," sign a logbook, and share your experience online.

We invite you to take part in the fun while learning about the 7 National Wildlife Refuges that make up the Savannah Coastal Refuges Complex! Explore our new Geo Trail to visit and learn more about your National Wildlife Refuge System.
